

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Janis Swanson  
DOCKET NO.: 20-02219.001-R-1  
PARCEL NO.: 15-24-112-001

The parties of record before the Property Tax Appeal Board are Janis Swanson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,224  
**IMPR.:** \$143,252  
**TOTAL:** \$209,476

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story dwelling of brick exterior construction with 3,143 square feet of living area. The dwelling was constructed in 1979 and is approximately 41 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 525 square foot garage. The property has an approximately 20,473 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables with the same neighborhood code as the subject property and located within 0.98 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction that range in size from 3,082 to 3,361 square feet of living area. The dwellings range in age from 45 to 51 years old. Each comparable has a basement with three

having finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 506 or 962 square feet of building area. The comparables have improvement assessments that range from \$118,432 to \$130,364 or from \$38.38 to \$39.08 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$121,555 or \$38.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,476. The subject property has an improvement assessment of \$143,252 or \$45.58 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.65 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,966 to 3,136 square feet of living area. The dwellings were built from 1965 to 1972 with effective built dates that range from 1965 to 1975. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces, and a garage with 506 or 575 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$186,252 to \$209,485 or from \$39.94 to \$48.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #2 as well as the board of review comparables #3, #4, and #5 which differ from the subject in age, lack basement finish, which is a feature of the subject, or have an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be parties' remaining comparables which are more similar to the subject in location, style, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$125,069 to \$189,624 or from \$38.38 to \$46.37 per square foot of living area. The subject's improvement assessment of \$143,252 or \$38.67 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
