

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roy Thomas
DOCKET NO.: 20-02222.001-R-1
PARCEL NO.: 15-20-408-028

The parties of record before the Property Tax Appeal Board are Roy Thomas, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,583
IMPR.: \$171,088
TOTAL: \$218,671

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,468 square feet of living area. The dwelling was constructed in 1989 and is approximately 31 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 736 square foot garage. The property has an approximately 15,507 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.41 of a mile from the subject. The comparables are described as 2-story dwellings of brick or wood siding exterior construction with either 3,537 or 4,153 square feet of living area. The dwellings are from 28 to 31 years old. Each comparable has a basement with finished area,

central air conditioning, one fireplace, and a garage with either 692 or 788 square feet of building area. The comparables have improvement assessments ranging from \$136,368 to \$168,431 or from \$38.55 to \$40.56 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$137,072 or \$39.52 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$218,671. The subject property has an improvement assessment of \$171,088 or \$49.33 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.14 of a mile from the subject. The comparables consist of 2-story dwellings of wood siding exterior construction with either 2,900 or 3,149 square feet of living area. The dwellings were constructed from 1989 to 1991. Each comparable has a basement with four having finished area, central air conditioning, one fireplace, and a garage with either 528 or 671 square feet of building area. Comparable #3 also has an inground swimming pool. The comparables have improvement assessments ranging from \$138,480 to \$155,816 or from \$47.75 to \$52.19 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #4 as well as board of review comparables #2 through #5 which differ from the subject in dwelling size and/or basement finish. In addition, board of review comparable #3 has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which overall are more similar to the subject in location, design, age, dwelling size, and features. These comparables have improvement assessments ranging from \$136,368 to \$155,816 or from \$38.55 to \$49.48 per square foot of living area. The subject has an improvement assessment of \$171,088 or \$49.33 per square foot of living area which falls within the range established by the best comparables in the record on a per square foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
