

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judy Topel  
DOCKET NO.: 20-02223.001-R-1  
PARCEL NO.: 15-23-210-014

The parties of record before the Property Tax Appeal Board are Judy Topel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,701  
**IMPR.:** \$109,826  
**TOTAL:** \$175,527

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,718 square feet of living area. The dwelling was constructed in 1965 and is 55 years old. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 540 square foot attached garage. The property has an approximately 19,601 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.84 of a mile from the subject. The comparables are described as 2-story dwellings of brick exterior construction ranging in size from 2,318 to 3,041 square feet of living area. The dwellings are from 48 to 54 years old. Each comparable has a full basement with two having finished area,

central air conditioning, one fireplace, and a garage ranging in size from 456 to 625 square feet of building area. The comparables have improvement assessments ranging from \$74,728 to \$99,002 or from \$31.92 to \$32.56 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$87,519 or \$32.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,527. The subject property has an improvement assessment of \$109,826 or \$40.41 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located from 0.36 of a mile to 1.02 miles from the subject. The comparables consist of 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,704 to 2,786 square feet of living area. The dwellings were constructed from 1969 to 1977. The comparables each have a basement with three having finished area, central air conditioning, one fireplace, and a garage ranging in size from 483 to 552 square feet of building area. The comparables have improvement assessments ranging from \$118,693 to \$129,249 or from \$43.48 to \$46.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 as well as board of review comparables #1, #2, #3, and #5 due to differences from the subject in age or basement finish.

The Board finds the best evidence of assessment equity to be the parties' three remaining comparables which are more similar to the subject in location, design, age, dwelling size, and other features. These comparables have improvement assessments ranging from \$74,728 to \$122,252 or from \$32.24 to \$44.76 per square foot of living area. The subject has an improvement assessment of \$109,826 or \$40.41 per square foot of living area which falls within the range established by the best comparables in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
