

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Worwa
DOCKET NO.: 20-02243.001-R-1
PARCEL NO.: 15-18-104-007

The parties of record before the Property Tax Appeal Board are Christine Worwa, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,894
IMPR.: \$187,152
TOTAL: \$232,046

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 4,192 square feet of living area. The dwelling was constructed in 2002 and is approximately 18 years old. Features of the home include a finished basement, central air conditioning, one fireplace, and a 764 square foot garage. The property has an approximately 22,651 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.30 of a mile from the subject. The comparables are described as 2-story dwellings of brick or wood siding exterior construction ranging in size from 4,297 to 4,642 square feet of living area. The dwellings are 19 or 21 years old. Each comparable has a basement with three

having finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 688 to 968 square feet of building area. The comparables have improvement assessments ranging from \$157,978 to \$171,691 or from \$36.76 to \$38.03 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$156,256 or \$37.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$232,046. The subject property has an improvement assessment of \$187,152 or \$44.65 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.26 of a mile from the subject. The comparables consist of 1-story or 2-story dwellings of brick or wood siding and brick exterior construction ranging in size from 3,923 to 4,093 square feet of living area. The dwellings were built from 1999 to 2001. Each comparable has a finished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 644 to 954 square feet of building area. Comparable #4 also has an inground swimming pool. The comparables have improvement assessments ranging from \$175,331 to \$195,531 or from \$44.51 to \$48.27 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 which have an unfinished basement or larger dwelling size when compared to the subject. The Board gives less weight to board of review comparable #1 due to its different story height when compared to the subject and to board of review comparable #4 which has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are more similar to the subject in location, design, age, dwelling size, and features. These comparables have improvement assessments ranging from \$157,978 to \$182,199 or from \$36.76 to \$44.69 per square foot of living area. The subject has an improvement assessment of \$187,152 or \$44.65 per square foot of living area which falls above the range established by the best comparables in the record on an overall basis but within the range on a per square foot basis. However, based on this evidence, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
