

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashraf Youssef
DOCKET NO.: 20-02253.001-R-1
PARCEL NO.: 15-23-212-001

The parties of record before the Property Tax Appeal Board are Ashraf Youssef, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,697
IMPR.: \$116,729
TOTAL: \$179,426

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 3,414 square feet of living area. The dwelling was constructed in 1959 and is approximately 61 years old. The dwelling has an effective built date of 1975. Features of the home include a concrete slab foundation, central air conditioning, three fireplaces, and a 966 square foot attached garage. The property has an approximately 20,037 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.47 of a mile from the subject. The appellant reported that the comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 3,048

to 3,660 square feet of living area. The dwellings are from 43 to 56 years old. Three comparables each have a crawl space or concrete slab foundation, and one comparable has an unfinished full basement. Three comparables each have central air conditioning, three comparables each have one fireplace, and each comparable has an attached garage that ranges in size from 483 to 736 square feet of building area. The comparables have improvement assessments that range from \$82,034 to \$114,380 or from \$25.70 to \$31.29 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$99,603 or \$29.17 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$179,426. The subject property has an improvement assessment of \$116,729 or \$34.19 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.78 of a mile from the subject. The comparables are improved with one-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,111 to 3,340 square feet of living area. The dwellings were built from 1961 to 1970 with effective built dates from 1972 to 1980. Three comparables each have a basement with one having finished area, and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces, and an attached garage that ranges in size from 484 to 1,345 square feet of building area. The comparables have improvement assessments that range from \$117,345 to \$134,060 or from \$37.45 to \$40.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 as well as board of review comparables #1, #2 and #3 which have basements, a feature the subject lacks. The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age/effective age, dwelling size, and most features. These comparables have improvement assessments that range from \$94,994 to \$122,602 or from \$28.45 to \$37.45 per square foot of living area. The subject's improvement assessment of \$116,729 or \$34.19 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
