

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yasser Rivera  
DOCKET NO.: 20-02262.001-R-1  
PARCEL NO.: 15-23-302-012

The parties of record before the Property Tax Appeal Board are Yasser Rivera, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,920  
**IMPR.:** \$158,652  
**TOTAL:** \$203,572

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,622 square feet of living area. The dwelling was built in 2017 and is approximately 3 years old. Features of the home include an unfinished full basement, central air conditioning, and a 400 square foot attached garage. The property has an approximate 5,658 square foot site and is located in Lincolnshire, Vernon Township, Lake County.<sup>1</sup>

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .13 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,442 to 2,622 square feet of

living area. The dwellings are each 3 years old. Each comparable has an unfinished full basement, central air conditioning, and an attached garage with either 400 or 448 square feet of building area. One comparable has one fireplace. The comparables have improvement assessments that range from \$125,632 to \$143,216 or from \$50.33 to \$55.08 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$140,211 or \$53.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,572. The subject property has an improvement assessment of \$158,652 or \$60.51 per square foot of living area. In support of this argument, the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .13 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding or brick and wood siding exterior construction with either 2,548 or 2,622 square feet of living area. The dwellings were each built in 2017. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning and an attached garage with 400 square feet of building area. One comparable has one fireplace. The comparables have improvement assessments that range from \$158,652 to \$160,025 or from \$60.51 to \$62.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board less weight to the appellant's comparables #1, #3 and #4 as well as board of review comparables #4 and #5 which differ from the subject in dwelling size. Board of review comparable #5 also has a finished basement, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' four remaining comparables which are similar in location and design to the subject as well as being identical to the subject in age, dwelling size and features. These comparables have improvement assessments ranging from \$143,216 to \$158,843 or from \$54.62 to \$60.58 per square foot of living area. The subject's improvement assessment of \$158,652 or \$60.51 per square foot of living area is equivalent to the improvement assessments of two comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
