

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Schickler
DOCKET NO.: 20-02280.001-R-1
PARCEL NO.: 16-34-101-005

The parties of record before the Property Tax Appeal Board are Howard Schickler, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$60,440
IMPR.: \$124,998
TOTAL: \$185,438

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,600 square feet of living area. The dwelling was constructed in 1964 and is approximately 56 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 506 square foot garage. The property has an approximately 13,470 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .31 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,226 to 2,794 square feet of living area. The dwellings are 55 or 57 years old. The comparables each have an unfinished basement, central air

conditioning, a fireplace and a garage ranging in size from 462 to 586 square feet of building area. The comparables have improvement assessments that range from \$79,102 to \$105,367 or from \$34.85 to \$41.85 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$99,450 or \$38.25 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,438. The subject property has an improvement assessment of \$124,998 or \$48.08 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on six comparables with the same assessment neighborhood code as the subject and located within .41 of a mile from the subject property. The comparables are improved with 1.5-story or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,542 to 2,660 square feet of living area. The dwellings were built in 1965 or 1967 with comparable #4 having a reported effective age of 1966. The comparables each have a basement, three of which are finished with a recreation room. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 572 square feet of building area. The comparables have improvement assessments that range from \$124,115 to \$133,163 or from \$48.76 to \$50.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2 due to its smaller dwelling size when compared to the subject. The Board has given reduced weight to board of review comparables #2, #3 and #5 as each has a basement recreation room, unlike the subject.

The Board finds the best evidence of assessment equity to be parties' remaining comparables, which are overall most similar to the subject in dwelling size, age and features. These six comparables have improvement assessments that range from \$97,377 to \$133,163 or from \$34.85 to \$50.58 per square foot of living area. The subject's improvement assessment of \$124,998 or \$48.08 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
