

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Samuel & Andrea Solomon
DOCKET NO.: 20-02295.001-R-1
PARCEL NO.: 16-34-108-013

The parties of record before the Property Tax Appeal Board are Samuel & Andrea Solomon, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,997
IMPR.: \$101,842
TOTAL: \$172,839

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 2,265 square feet of living area. The dwelling was constructed in 1963 and is approximately 57 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 462 square foot garage. The property has a 12,400 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story dwellings of wood siding or brick exterior construction that range in size from 2,226 to 2,602 square feet of living area and are either 55 or 57 years old. Two comparables have concrete slab foundations and two comparables have full

basements. Each comparable has central air conditioning, one or two fireplaces and a garage with 462 or 484 square feet of building area. The comparables have improvement assessments ranging from \$79,102 to \$105,556 or from \$39.54 to \$42.56 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,839. The subject has an improvement assessment of \$101,842 or \$44.96 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located within the same assessment neighborhood code as the subject. The comparables are improved with a 1.5-story, 1.75-story or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction that range in size from 2,147 to 2,542 square feet of living area and were built from 1963 to 1965 with comparable #1 having an effective year built of 1983. Four comparables have full basements with two having finished area. One comparable has a crawl space foundation. Four comparables have central air conditioning. Each comparable has one fireplace and a garage ranging in size from 462 to 572 square feet of building area. The comparables have improvement assessments ranging from \$101,652 to \$142,161 or from \$47.35 to \$55.92 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gave less weight to appellants' comparables #1 and #3 along with board of review comparables #1, #3, #4 and #5 which have full basement foundations unlike the subject's concrete slab foundation.

The Board finds the best evidence of assessment equity to be appellants' comparables #2 and #4 along with board of review comparable #2 which are relatively similar to the subject in location, design, age, dwelling size and some features. These comparables have improvement assessments ranging from \$95,704 to \$101,652 or from \$36.80 to \$47.35 per square foot of living area. The subject has an improvement assessment of \$101,842 or \$44.96 per square foot of living area, which is within the range established by the best comparables in this record on a per square foot basis but slightly above on an overall basis. However, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not

prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
