

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Gertzfeld  
DOCKET NO.: 20-02299.001-R-1  
PARCEL NO.: 16-26-205-016

The parties of record before the Property Tax Appeal Board are Larry Gertzfeld, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$87,688  
**IMPR.:** \$87,352  
**TOTAL:** \$175,040

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,782 square feet of living area. The dwelling was built in 1920 and is approximately 100 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 945 square foot detached garage. The property has a 15,750 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story or 2.5-story dwellings of wood siding, stucco, or brick exterior construction that range in size from 2,592 to 2,972 square feet of living area and range in age from 31 to 110 years old. Each comparable has an unfinished basement, central air conditioning, and one fireplace. Three comparables are reported to each have an attached or a

detached garage ranging in size from 420 to 528 square feet of building area. The comparables have improvement assessments ranging from \$63,705 to \$84,672 or from \$21.44 to \$29.09 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,040. The subject has an improvement assessment of \$87,352 or \$31.40 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story dwellings of wood siding, brick, or brick and wood siding exterior construction that range in size from 2,529 to 2,716 square feet of living area and were built from 1927 to 2005 with comparables #2 and #5 having effective ages of 1940 and 1953, respectively. The comparables have basements, two of which have recreation rooms. Each comparable has central air conditioning, one fireplace and an attached or a detached garage ranging in size from 380 to 1,351 square feet of building area. The comparables have improvement assessments ranging from \$84,770 to \$187,058 or from \$33.52 to \$71.02 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1 and #4 as well as board of review comparables #1, #2, #3 and #5 due to differences in age/effective age and/or lack of a garage when compared to the subject. The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3 along with board of review comparable #4 which are similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$83,470 to \$84,770 or from \$28.75 to \$33.52 per square foot of living area. The subject's improvement assessment of \$87,352 or \$31.40 per square foot of living area, falls above the range established by the best comparables in this record on a per square foot basis but above on an overall basis. However, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
