

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marshall Norris  
DOCKET NO.: 20-02431.001-R-1  
PARCEL NO.: 15-13-306-028

The parties of record before the Property Tax Appeal Board are Marshall Norris, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,451  
**IMPR.:** \$209,636  
**TOTAL:** \$276,087

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,225 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 759 square foot garage. The property has an approximately 20,910 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .04 to .86 of a mile from the subject. The comparables are improved with 2-story dwellings containing from 4,196 to 4,374 square feet of living area. The dwellings were built from 1969 to 1995. The comparables have basements, two of which have finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 754 to 851 square feet of building

area. The comparables sold from April 2018 to December 2019 for prices ranging from \$625,000 to \$775,000 or from \$144.01 to \$177.18 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$276,087. The subject's assessment reflects a market value of \$829,339 or \$196.29 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .53 to .69 of a mile from the subject. The comparables are improved with 2-story dwellings containing from 3,724 to 4,729 square feet of living area. The dwellings were built from 2002 to 2007. The comparables have basements, each of which have finished area, central air conditioning, two or three fireplaces and an attached garage ranging in size from 752 to 988 square feet of building area. The comparables sold from June 2019 to September 2020 for prices ranging from \$837,500 to \$1,049,000 or from \$217.94 to \$224.89 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4, due to their older dwelling or their sale date occurring greater than 17 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparables #2 and #3, due to their differences in dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. However, the appellant's best comparable lacks finished basement area, unlike the subject. Nevertheless, the best comparables sold in December 2019 for prices of \$705,000 and \$950,000 or \$164.91 and \$217.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$829,339 or \$196.29 per square foot of living area, including land, which falls between the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
