

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashish Agarwal  
DOCKET NO.: 20-02456.001-R-1  
PARCEL NO.: 15-15-302-060

The parties of record before the Property Tax Appeal Board are Ashish Agarwal, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$32,331  
**IMPR.:** \$107,093  
**TOTAL:** \$139,424

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick construction with 2,418 square feet of living area. The dwelling was constructed in 2001. Features of the home include a partial basement, that has finished area, central air conditioning, a fireplace and an attached 546 square foot garage. The property is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that have improvement assessments ranging from \$79,709 to \$88,385. The appellant's appeal revealed that the subject property is an owner-occupied residence. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,319. The subject property has an improvement assessment of \$107,988 or \$44.66 per square foot of living area. The board of review's "Board of Review Notes on Appeal" revealed that the first year of the General Assessment Cycle for the subject property was 2019 and an equalization factor of 1.0037 was applied to the subject for the 2020 tax year. In support of its contention of the correct assessment the board of review submitted information on five comparable properties that have improvement assessments ranging from \$109,422 to \$120,011. Based on this evidence the board of review requested confirmation of the subject's assessment.

After reviewing the appeal, the Property Tax Appeal Board takes notice that the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 19-04069.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$138,910 based on the evidence submitted by the parties.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. However, the Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2019 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board issued a decision in Docket Number 19-04069.001-R-1 reducing the subject's assessment for the 2019 tax year to \$138,910. The record further indicates that the subject property is an owner-occupied dwelling and that 2019 and 2020 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision establishing a different fair cash value or that the decision of the Property Tax Appeal Board for the 2019 tax year was reversed or modified upon review. The record also disclosed that an equalization factor of 1.0037 was applied in 2020. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted, based on the subject's assessment as established in the Board's 2019 decision, plus the application of a 2020 equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
