

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bart Ames
DOCKET NO.: 20-02459.001-R-1
PARCEL NO.: 15-36-302-013

The parties of record before the Property Tax Appeal Board are Bart Ames, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$110,516
IMPR.: \$89,464
TOTAL: \$199,980

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding construction with 3,249 square feet of living area. The dwelling was constructed in 1964. Features of the home include a slab foundation, central air conditioning, a fireplace, detached 864 square foot garage and a 440 square foot flat barn. The property has an approximately 83,450 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .43 of a mile to 2.38 miles from the subject. The comparables have sites ranging in size from 71,277 to 87,764 square feet of land area that are improved with 1-story dwellings containing from 2,734 to 3,358 square feet of living area. The dwellings were built from 1950 to 1983. Two comparables have crawl-space foundations and one comparable has a slab foundation. The comparables have

central air conditioning, one or two fireplaces and an attached garage ranging in size from 462 to 840 square feet of building area. One comparable also has a detached garage. The comparables sold in April 2019 or February 2020 for prices ranging from \$435,000 to \$520,000 or from \$135.50 to \$159.11 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,980. The subject's assessment reflects a market value of \$600,721 or \$184.89 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .57 of a mile to 1.61 miles from the subject. The comparables have sites ranging in size from 37,900 to 213,090 square feet of land area that are improved with 1-story dwellings containing from 2,170 to 3,401 square feet of living area. The dwellings were built from 1958 to 1968 but have effective ages ranging from 1966 to 1971. Two comparables have crawl-space foundations and one comparable has a slab foundation. The comparables have central air conditioning, two fireplaces and an attached garage ranging in size from 420 to 800 square feet of building area. The comparables sold from February to December 2019 for prices ranging from \$647,000 to \$720,000 or from \$204.35 to \$298.16 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, due to their location over 2 miles from the subject or their smaller dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #1 and #2, due to their smaller dwelling size or their significantly larger site when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold in February and April 2019 for prices of \$695,000 and \$520,000 or \$204.35 and \$155.08 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$600,721 or \$184.89 per square foot of living area, including land, which falls between the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
