

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Attia
DOCKET NO.: 20-02463.001-R-1
PARCEL NO.: 15-18-103-003

The parties of record before the Property Tax Appeal Board are Michael Attia, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,475
IMPR.: \$186,515
TOTAL: \$232,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick construction with 4,369 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full basement, that has finished area, central air conditioning, three fireplaces and an attached 794 square foot garage. The property has an approximately 27,710 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .12 to .33 of a mile from the subject. The comparables have sites ranging in size from 23,522 to 32,221 square feet of land area that are improved with 2-story dwellings containing from 3,797 to 4,667 square feet of living area. The dwellings were built from 1999 to 2001. The comparables have full or partial basements, two of which have finished area, central air conditioning, a fireplace and an

attached garage ranging in size from 688 to 690 square feet of building area. The comparables sold in May or December 2019 for prices ranging from \$565,000 to \$707,000 or from \$146.58 to \$151.49 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$232,990. The subject's assessment reflects a market value of \$699,880 or \$160.19 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .20 to .80 of a mile from the subject. The comparables have sites ranging in size from 27,630 to 46,890 square feet of land area that are improved with 1-story or 2-story dwellings containing from 4,394 to 4,677 square feet of living area. The dwellings were built from 1996 to 2005. The comparables have full basements, one of which has finished area, central air conditioning, from one to three fireplaces and an attached garage ranging in size from 713 to 986 square feet of building area. The comparables sold from June 2019 to November 2020 for prices ranging from \$739,000 to \$925,000 or from \$158.01 to \$210.51 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 due to its significantly smaller dwelling size, when compared to the subject. The Board also gives less weight to the board of review's comparable #3, due to its dissimilar 1-story style dwelling, unlike the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and most features. The best comparables sold from December 2019 to November 2020 for prices ranging from \$630,000 to \$850,000 or from \$146.58 to \$192.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$699,880 or \$160.19 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
