

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karl Rosenberg
DOCKET NO.: 20-02504.001-R-1
PARCEL NO.: 14-32-205-021

The parties of record before the Property Tax Appeal Board are Karl Rosenberg, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,251
IMPR.: \$184,641
TOTAL: \$241,892

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,896 square feet of living area. The dwelling was constructed in 1989 and is approximately 31 years old. Features of the home include a walk-out basement, central air conditioning, three fireplaces and a 792 square foot garage. The property has an approximately 87,520 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,665 to 4,307 square feet of living area. The dwellings range in age from 21 to 36 years old. Each comparable has a walk-out basement, central air conditioning, two or three fireplaces

and a garage ranging in size from 693 to 816 square feet of building area. The comparables have improvement assessments that range from \$122,099 to \$169,190 or from \$28.35 to \$44.42 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$144,054 or \$36.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$241,892. The subject property has an improvement assessment of \$184,641 or \$47.39 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story dwellings of wood siding, brick, or brick and wood siding exterior construction ranging in size from 3,336 to 4,012 square feet of living area. The dwellings were built from 1982 to 1999 with comparable #5 having a reported effective age of 1986. The comparables each have a basement, four of which are walk-out designs. Each comparable has central air conditioning, one to four fireplaces and a garage ranging in size from 622 to 904 square feet of building area. The comparables have improvement assessments that range from \$178,415 to \$192,502 or from \$47.62 to \$54.73 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2, as well as board of review comparables #1 and #2 due to their less similar dwelling sizes when compared to the subject. The Board has also given less weight to the appellant's comparable #1 which appears to be an outlier due to its considerably lower improvement assessment in comparison to the remaining comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4, along with board of review comparables #3, #4 and #5 which are overall most similar to the subject in dwelling size, design, age and some features. These five comparables have improvement assessments that range from \$162,810 to \$192,502 or from \$41.27 to \$47.98 per square foot of living area. The subject's improvement assessment of \$184,641 or \$47.39 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
