

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yu Chen  
DOCKET NO.: 20-02508.001-R-1  
PARCEL NO.: 15-31-105-002

The parties of record before the Property Tax Appeal Board are Yu Chen, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,475  
**IMPR.:** \$239,480  
**TOTAL:** \$283,955

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 5,704 square feet of living area. The dwelling was constructed in 1989 and is approximately 32 years old. Features of the home include a basement finished with a recreation room, central air conditioning, two fireplaces, and an 860 square foot garage. The property has an approximately 42,690 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 4,589 to 5,237 square feet of living area. The dwellings range in age from 32 to 34 years old. The comparables each have a basement with three having finished area, of which one has a walk-out

design. Each comparable has central air conditioning, one to four fireplaces and a garage ranging in size from 736 to 1,036 square feet of building area. The comparables have improvement assessments that range from \$121,162 to \$189,505 or from \$23.14 to \$38.09 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$183,098 or \$32.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$283,955. The subject property has an improvement assessment of \$239,480 or \$41.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 4,920 to 5,665 square feet of living area. The dwellings were built from 1986 to 2001. The comparables each have a basement, two of which are finished with a recreation room. Each comparable has central air conditioning, one to four fireplaces and a garage ranging in size from 864 to 1,138 square feet of building area. The comparables have improvement assessments that range from \$208,436 to \$244,329 or from \$42.37 to \$43.13 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #1 as it appears to be an outlier due to its considerably lower improvement assessment in comparison to the other comparables in the record. The Board has also given less weight to the appellant's comparables #2, #3 and #4, as well as board of review comparable #1 which differ from the subject in dwelling size or lack of a basement recreation room, a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3 which are overall most similar to the subject in dwelling size, design, age and features. These two comparables have improvement assessments of \$212,411 and \$244,329 or \$42.62 and \$43.13 per square foot of living area. The subject's improvement assessment of \$239,480 or \$41.98 per square foot of living area is bracketed by the two best comparables in the record in terms of overall improvement assessment but below both comparables on a square foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
