

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Schneider
DOCKET NO.: 20-02540.001-R-1
PARCEL NO.: 14-27-112-037

The parties of record before the Property Tax Appeal Board are Frank Schneider, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,168
IMPR.: \$184,447
TOTAL: \$242,615

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 4,220 square feet of living area. The dwelling was constructed in 1998 and is approximately 22 years old. Features of the home include a walk-out basement, central air conditioning, two fireplaces and a 685 square foot garage. The property also has a 504 square foot inground swimming pool.¹The property has an approximately 23,980 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are

improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,779 to 4,218 square feet of living area. The dwellings are 19 or 21 years old. The comparables each have a walk-out basement, central air conditioning, one or two fireplaces and a garage ranging in size from 696 to 840 square feet of building area. The comparables have improvement assessments that range from \$147,376 to \$172,333 or from \$37.77 to \$41.02 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$167,428 or \$39.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,615. The subject property has an improvement assessment of \$184,447 or \$43.71 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 3,940 to 4,150 square feet of living area. The dwellings were built in 1998 or 1999. The comparables each have a basement, one of which is a walk-out design. Each comparable has central air conditioning, one to four fireplaces and a garage ranging in size from 743 to 924 square feet of building area. Comparable #2 has a gazebo and comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$175,051 to \$182,196 or from \$43.77 to \$44.43 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board finds all of the comparables are similar to the subject in dwelling size, design, age and some features, except six of the comparables do not have an inground swimming pool as does the subject, suggesting an award adjustment would be required to make these comparables more equivalent to the subject. The comparables have improvement assessments ranging from \$147,376 to \$182,196 or from \$37.77 to \$44.43 per square foot of living area. The subject's improvement assessment of \$184,447 or \$43.71 per square foot of living area falls above the range established by the comparables in the record in terms of overall improvement assessment but within the range on a square foot basis. The subject's higher overall improvement assessment appears to be justified given it has an inground swimming pool. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
