

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria Vogel  
DOCKET NO.: 20-02545.001-R-1  
PARCEL NO.: 14-33-111-048

The parties of record before the Property Tax Appeal Board are Maria Vogel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,740  
**IMPR.:** \$137,197  
**TOTAL:** \$185,937

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,612 square feet of living area. The dwelling was constructed in 1992 and is 28 years old. Features of the home include an unfinished walk-out basement, central air conditioning, two fireplaces and a 782 square foot garage. The property has an approximately 57,220 square foot site and is located in Deer Park, Ela Township, Lake County.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 19-08574. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$184,315 based on the evidence. In its submission, the board of review reported that 2019 was the beginning of the subject's general assessment cycle.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and from 0.55 of a mile to 1.51 miles from the subject property which have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables have improvement assessments that range from \$117,635 to \$147,481 or from \$50.44 to \$54.32 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$128,575 or \$49.22 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,612. The subject has an improvement assessment of \$149,872 or \$57.38 per square foot of living area. The board of review disclosed that an equalization factor of 1.0088 was applied for the 2020 tax year in Ela Township.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject and from 0.55 of a mile to 1.05 miles from the subject property which have varying degrees of similarity to the subject in location, age, design, dwelling size and other features. The comparables have improvement assessments ranging from \$138,052 to \$174,892 or from \$52.21 to \$58.38 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 19-08574. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$184,315. The Property Tax Appeal Board takes notice that Ela Township's general assessment period began in the 2019 tax year and continues through the 2022 tax year. The Board also finds this record shows that a 1.0088 equalization factor was issued in Ela Township for the 2020 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the

remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the subject property is an owner-occupied residence and that the 2019 and 2020 tax years are within the same general assessment period for Ela Township. The record contains no evidence showing the subject property sold in an arm's length transaction establishing a different fair cash value. Furthermore, the decision of the Property Tax Appeal Board for the 2019 tax year has not yet been reversed or modified upon review. For these reasons, the Property Tax Appeal Board finds that the prior year's 2019 decision should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus application of the 2020 equalization factor of 1.0088. ( $\$184,315 \times 1.0088 = \$185,937$ ).

Additionally, notwithstanding the dictates of Section 16-185 of the Property Tax Code, the record contains seven equity comparables to support the parties' respective arguments. The comparables have varying degrees of similarity to the subject in location, age, design, dwelling size and features. These properties have improvement assessments ranging from \$117,635 to \$174,892 or from \$50.44 to \$58.38 per square foot of living area, including land. The subject's improvement assessment after reduction is \$137,197 or \$52.53 per square foot of living area which falls within the range of the comparables in this record. The Board finds on this record that the comparables demonstrate the subject property, once reduced as an owner-occupied property, is correctly valued for assessment purposes.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
