

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Bielinski
DOCKET NO.: 20-02546.001-R-1
PARCEL NO.: 14-12-305-017

The parties of record before the Property Tax Appeal Board are Donald Bielinski, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,475
IMPR.: \$144,214
TOTAL: \$176,689

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of brick and wood siding exterior construction with 3,620 square feet of living area. The dwelling was built in 1987. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 690 square foot attached garage. The property has an approximately 38,480 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.39 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,323 to 3,865 square feet of living area. The dwellings range in age from 18 to 33 years old. Each comparable has an unfinished

basement, central air conditioning, and an attached garage that ranges in size from 692 to 902 square feet of building area. Three comparables each have one fireplace. The improvement assessments on these properties range from \$125,892 to \$146,497 or from \$37.89 to \$38.65 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$138,012 or \$38.12 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,689. The subject property has an improvement assessment of \$144,214 or \$39.84 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.39 miles from the subject. The comparables are improved with 2-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 3,238 to 3,632 square feet of living area. The homes were built from 1985 to 2002 with comparable #1 having an effective year built of 1988. Each comparable has an unfinished basement, central air conditioning, one fireplace, and an attached garage that ranges in size from 682 to 916 square feet of building area. Comparable #1 has an inground swimming pool. The improvement assessments on these properties range from \$130,580 to \$147,575 or from \$40.33 to \$42.42 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on nine comparables to support their respective positions. The Board gives less weight to the appellant's comparable #2 as well as board of review comparables #2 and #5 which differ from the subject in age. The board gives less weight to board of review comparable #1 which has an inground swimming pool which is not feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' five remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. The comparables have improvement assessments that range from \$125,892 to \$147,575 or from \$37.89 to \$40.63 per square foot of living area. The subject's improvement assessment of \$144,214 or \$39.84 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
