

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Bassali  
DOCKET NO.: 20-02551.001-R-1  
PARCEL NO.: 14-32-303-007

The parties of record before the Property Tax Appeal Board are Sam Bassali, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,520  
**IMPR.:** \$153,979  
**TOTAL:** \$198,499

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,222 square feet of living area. The dwelling was constructed in 1987 and is approximately 33 years old. Features of the home include a basement, central air conditioning, one fireplace and a 792 square foot garage. The property has an approximately 44,760 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.73 of a mile from the subject property. The comparables have sites that range in size from 33,846 to 42,100 square feet of land area and are improved with 2-story dwellings of brick or wood siding exterior construction that range in size from 2,881 to 3,773 square feet of living area. The dwellings range in age from 31 to 38 years old. Each comparable has a basement, central air conditioning,

one or two fireplaces and a garage ranging in size from 670 to 756 square feet of building area. The properties sold from June 2019 to April 2020 for prices ranging from \$470,000 to \$507,000 or from \$134.38 to \$163.14 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$165,825 which reflects a market value of \$497,525 or \$154.41 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,499. The subject's assessment reflects a market value of \$596,272 or \$185.06 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.32 of a mile to 1.68 miles from the subject property. The comparables have sites that range in size from 45,590 to 70,450 square feet of land area and are improved with either a 1.5-story or 2-story dwelling of wood siding exterior construction that range in size from 3,018 to 3,568 square feet of living area. The homes were built from 1984 to 1988. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 682 to 1,018 square feet of building area. The properties sold from July 2019 to March 2021 for prices ranging from \$607,000 to \$880,000 or from \$177.17 to \$250.57 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #2 along with board of review comparables #2 and #5 which differ from the subject in dwelling size, site size, garage size, proximity to the subject and/or sold more than 12 months after the January 1, 2020 assessment date.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3 and #4 and board of review comparables #1, #3 and #4 which sold proximate in time to the assessment date at issue and are more similar to the subject in location, age, dwelling size, site size and other features. These comparables sold from July 2019 to July 2020 for prices ranging from \$470,000 to \$735,000 or from \$159.34 to \$243.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$596,272 or \$185.06 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
