

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Farrell
DOCKET NO.: 20-02557.001-R-1
PARCEL NO.: 14-08-104-002

The parties of record before the Property Tax Appeal Board are Robert Farrell, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,703
IMPR.: \$111,696
TOTAL: \$141,399

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 2,572 square feet of living area. The dwelling was built in 1987 and is approximately 33 years old. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and an attached garage with 933 square feet of building area. The property has a site with approximately 45,306 square feet of land area and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.38 of a-mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,464 to 2,978 square feet of living area.

The dwellings range in age from 37 to 53 years old. Each comparable has an unfinished full basement with one being a walkout design, central air conditioning, one to four fireplaces, and an attached garage ranging in size from 613 to 1,009 square feet of building area. The improvement assessments on these properties range from \$97,274 to \$113,555 or from \$35.06 to \$41.66 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$100,308 or \$39.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,399. The subject property has an improvement assessment of \$111,696 or \$43.43 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject property and located within 0.43 of a-mile from the subject. The comparables are improved with 2-story dwellings¹ of wood siding exterior construction ranging in size from 2,562 to 2,775 square feet of living area. The homes were built from 1986 to 1997. Each comparable has a full unfinished basement with two being walkout designs, central air conditioning, and an attached garage ranging in size from 768 to 1,004 square feet of building area. Two comparables each have one or two fireplaces. The improvement assessments on these properties range from \$121,483 to \$124,401 or from \$44.83 to \$47.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on seven comparables to support their respective positions. The Board gives less weight to the appellant's comparables which differ from the subject in dwelling size or age.

The Board finds the best evidence of assessment equity to be the board of review comparables which are more similar to the subject in location, age, dwelling size, and other features. These comparables have improvement assessments that range from \$121,483 to \$124,401 or from \$44.83 to \$47.67 per square foot of living area. The subject's improvement assessment of \$111,696 or \$43.43 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

¹ Board of review comparables #2 and #3 are described as a one-story dwellings; however, the above ground living area exceeds the ground floor living area indicating the dwellings may be two-story structures.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
