

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Mary Pacchini  
DOCKET NO.: 20-02573.001-R-1  
PARCEL NO.: 14-13-202-033

The parties of record before the Property Tax Appeal Board are Mark & Mary Pacchini, the appellants, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$83,871  
**IMPR.:** \$335,272  
**TOTAL:** \$419,143

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 6,795 square feet of living area. The dwelling was constructed in 2006 and is approximately 14 years old. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a 1,100 square foot garage. The property has an approximately 40,360 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 6,008 to 6,438 square feet of living area. The dwellings are 14 or 15 years old. Each comparable has an unfinished basement, central air conditioning, two or three fireplaces and a

garage ranging in size from 936 to 1,322 square feet of building area. The comparables have improvement assessments that range from \$263,389 to \$296,493 or from \$43.84 to \$46.05 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$304,925 or \$44.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$419,143. The subject property has an improvement assessment of \$335,272 or \$49.34 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 6,041 to 7,585 square feet of living area. The dwellings were built from 2005 to 2008. Each comparable has an unfinished basement with two having a walk-out design, central air conditioning, two to six fireplaces and a garage ranging in size from 960 to 1,395 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments that range from \$302,032 to \$378,105 or from \$49.51 to \$52.34 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellants' comparables #1 and #4, as well as the board of review comparables #2 and #3 due to differences from the subject in dwelling size. Furthermore, board of review comparable #2 has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are overall more similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments that range from \$278,738 to \$339,081 or from \$45.40 to \$52.34 per square foot of living area. The subject's improvement assessment of \$335,272 or \$49.34 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
