

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Narendra Tailor
DOCKET NO.: 20-02578.001-R-1
PARCEL NO.: 14-22-403-014

The parties of record before the Property Tax Appeal Board are Narendra Tailor, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,292
IMPR.: \$203,315
TOTAL: \$249,607

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,396 square feet of living area. The dwelling was constructed in 1997 and is approximately 23 years old. Features of the home include a walk-out basement that is unfinished, central air conditioning, two fireplaces and a 709 square foot garage. The property has an approximately 66,490¹ square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size

¹ The Board finds the best description of the subject's site size is found in the subject's property record card provided by the board of review.

from 4,424 to 4,662 square feet of living area. The dwellings are 22 to 25 years old. The comparables each have an unfinished basement, two of which have a walk-out design. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 759 to 992 square feet of building area. The comparables have improvement assessments that range from \$198,113 to \$209,419 or from \$44.78 to \$45.16 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$197,710 or \$44.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$263,312. The subject property has an improvement assessment of \$217,020 or \$49.43 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,712 to 4,072 square feet of living area. The dwellings were built in 1997 or 1998. The comparables each have an unfinished basement, one of which has a walk-out design. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 792 to 873 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$183,481 to \$202,062 or from \$47.89 to \$49.62 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board has given less weight to board of review comparables #1 and #3 due to differences from the subject in dwelling size or they feature an inground swimming pool, unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparable #2. The Board finds these five comparables are relatively similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments that range from \$198,113 to \$209,419 or from \$44.78 to \$49.62 per square foot of living area. The subject's improvement assessment of \$217,020 or \$49.37 per square foot of living area falls above the range established by the best comparables in the record in terms of overall improvement assessment value and at the higher end of the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is excessive. Therefore, based on this record the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
