

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffery Charnogorsky
DOCKET NO.: 20-02596.001-R-1
PARCEL NO.: 14-05-401-006

The parties of record before the Property Tax Appeal Board are Jeffery Charnogorsky, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,563
IMPR.: \$136,111
TOTAL: \$175,674

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,326 square feet of living area. The dwelling was constructed in 1990 and is approximately 30 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 690 square foot garage. The property also has a 512 square foot inground swimming pool.¹ The property has a 77,804² square foot site and is located in Lake Zurich, Ela Township, Lake County.

¹ The subject's property record card provided by the board of review revealed the subject has a 512 square foot inground swimming pool, which was not reported by the appellant.

² The parties differ as to the site size of the subject property. The Board finds the best evidence of size is found in the subject's property record card provided by the board of review.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,174 to 3,593 square feet of living area. The dwellings are 30 to 33 years old. The comparables each have an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 726 to 959 square feet of building area. The comparables have improvement assessments that range from \$112,727 to \$141,058 or from \$34.98 to \$39.69 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$127,468 or \$38.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,674. The subject property has an improvement assessment of \$136,111 or \$40.92 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,304 to 3,394 square feet of living area. The dwellings were built from 1987 to 1998. The comparables each have an unfinished basement, one of which has walk out design. Each comparable has central air conditioning and a garage ranging in size from 736 to 915 square feet of building area. Four comparables each have one or two fireplaces. Comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$140,851 to \$161,615 or from \$42.63 to \$47.93 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board finds all the comparables are similar to the subject in location, dwelling size, age and some features, except eight comparables lack an inground swimming pool, a feature of the subject, suggesting an upward adjustment would be required to make these comparables more equivalent to the subject. The nine comparables have improvement assessments that range from \$112,727 to \$161,615 or from \$34.98 to \$47.93 per square foot of living area. The subject's improvement assessment of \$136,111 or \$40.92 per square foot of living area falls within the range established by the comparables in the record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
