

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brandon Grill
DOCKET NO.: 20-02601.001-R-1
PARCEL NO.: 15-18-201-003

The parties of record before the Property Tax Appeal Board are Brandon Grill, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,357
IMPR.: \$155,940
TOTAL: \$189,297

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,871 square feet of living area. The dwelling was constructed in 1989 and is approximately 31 years old. Features of the home include a basement that is finished with a recreation room, central air conditioning, a fireplace and a 713 square foot garage. The property has an approximately 42,690 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,842 to 4,079 square feet of living area. The dwellings are 31 to 34 years old. The

comparables each have a basement, two of which have finished area. Each comparable has central air conditioning, one to four fireplaces and a garage ranging in size from 644 to 888 square feet of building area. The comparables have improvement assessments that range from \$97,536 to \$137,553 or from \$25.39 to \$34.15 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$118,646 or \$30.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,297. The subject property has an improvement assessment of \$155,940 or \$40.28 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,690 to 3,860 square feet of living area. The dwellings were built from 1986 to 1989. The comparables each have a basement, two of which are finished with a recreation room. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 759 to 888 square feet of building area. The comparables have improvement assessments that range from \$150,764 to \$161,204 or from \$40.86 to \$42.62 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #4, as well as board of review comparables #2 and #4 as each comparable has an unfinished basement in contrast to the subject's basement that is finished with a recreation room.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3, along with board of review comparables #1 and #3 which have finished basements and are relatively similar to the subject in dwelling size, design, age and some features. These comparables have improvement assessments ranging from \$133,594 to \$161,204 or from \$32.75 to \$42.62 per square foot of living area. The subject's improvement assessment of \$155,940 or \$40.28 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
