

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Stern  
DOCKET NO.: 20-02633.001-R-1  
PARCEL NO.: 14-09-102-003

The parties of record before the Property Tax Appeal Board are David Stern, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$80,409  
**IMPR.:** \$254,289  
**TOTAL:** \$334,698

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,944 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace, an attached 1,100 square foot garage, and a swimming pool. The property has an approximately 65,980 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located from .30 to .69 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 4,504 to 5,342 square feet of living area. The dwellings were built from 1998 to 2006. The comparables have unfinished basements, central air conditioning, from one to three fireplaces, and an attached

garage ranging in size from 528 to 1,097 square feet of building area. The comparables have improvement assessments ranging from \$212,541 to \$251,437 or from \$46.95 to \$47.19 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$334,698. The subject property has an improvement assessment of \$254,289 or \$51.43 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties that are located from .18 to .26 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 4,518 to 5,411 square feet of living area. The dwellings were built from 1991 to 1998. The comparables have unfinished walkout basements, central air conditioning, two or three fireplaces, and an attached garage ranging in size from 882 to 1,050 square feet of building area. The comparables have improvement assessments ranging from \$235,965 to \$296,925 or from \$51.16 to \$54.87 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration, none of which are particularly similar to the subject property. Nevertheless, the Board gives less weight to the appellant's comparables #3 and #4, as well as the board of review's comparables #2, #3 and #4, due to their considerable difference in dwelling size when compared to the subject. The board finds the parties' remaining comparables are similar to the subject in location, style and some features. However, each of the parties' best comparables lack a swimming pool and have a smaller garage, when compared to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$233,811 to \$244,744 or from \$46.95 to \$51.16 per square foot of living area. The subject's improvement assessment of \$254,289 or \$51.43 per square foot of living area falls above the range established by the best comparables in the record. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their lack of a swimming pool and smaller garage, the Board finds the subject's higher improvement assessment is justified. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
