

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Gwiasda  
DOCKET NO.: 20-02637.001-R-1  
PARCEL NO.: 14-31-302-013

The parties of record before the Property Tax Appeal Board are Julie Gwiasda, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$40,602  
**IMPR.:** \$132,200  
**TOTAL:** \$172,802

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of wood siding exterior construction with 2,644 square feet of living area. The dwelling was constructed in 1966 and is approximately 54 years old. Features of the home include a lower level with finished area, central air conditioning, a fireplace, and an 897 square foot garage. The property has a 20,046 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located from 0.20 to 0.44 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 2,497 to 2,814 square feet of living area. The dwellings range in age from 48 to 52

years old. Each home has an unfinished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 252 to 441 square feet of building area. The comparables have improvement assessments ranging from \$116,753 to \$132,932 or from \$46.52 to \$47.24 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$123,739 or \$46.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,879. The subject property has an improvement assessment of \$157,277 or \$59.48 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.03 to 0.42 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with 1.5-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,580 to 2,902 square feet of living area. The dwellings were built from 1968 to 1971 with the oldest home having an effective age of 1971. Four homes each have an unfinished basement, two of which are walkout basements, and one home has a slab foundation. Each home has central air conditioning, one to three fireplaces, and a garage ranging in size from 462 to 1,053 square feet of building area. The comparables have improvement assessments ranging from \$134,659 to \$149,679 or from \$50.13 to \$53.68 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparable #2, due to significant differences from the subject in foundation type.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1, #3, #4, and #5, which have varying degrees of similarity to the subject. These comparables have improvement assessments that range from \$116,753 to \$149,679 or from \$46.52 to \$53.68 per square foot of living area. The subject's improvement assessment of \$157,277 or \$59.48 per square foot of living area falls above the range established

by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
