

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry Jaeger
DOCKET NO.: 20-02665.001-R-1
PARCEL NO.: 15-24-403-015

The parties of record before the Property Tax Appeal Board are Jerry Jaeger, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$88,281
IMPR.: \$184,256
TOTAL: \$272,537

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch-style dwelling of brick exterior construction with 4,096 square feet of living area. The dwelling was constructed in 1979 and is approximately 41 years old. Features of the home include a basement, central air conditioning, two fireplaces, and a 912 square foot attached garage. The property has a 51,409 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with ranch-style homes of brick or wood siding exterior construction ranging in size from 3,715 to 4,598 square feet of living area. The dwellings range in age from 20 to 65 years old. Each home has a basement, one of which has finished area, central air

conditioning, one or two fireplaces, and an attached garage ranging in size from 431 to 1,500 square feet of building area. Comparable #2 also has a detached garage. The comparables have improvement assessments ranging from \$149,235 to \$193,083 or from \$37.62 to \$42.00 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$272,537. The subject property has an improvement assessment of \$184,256 or \$44.98 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with ranch-style homes of wood siding or wood siding and stone exterior construction ranging in size from 3,140 to 3,546 square feet of living area. The dwellings were built from 1978 to 2017. Each home has a basement, one of which has finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 825 to 975 square feet of building area. Comparable #2 also has a 949 square foot detached garage. The comparables have improvement assessments ranging from \$156,858 to \$192,972 or from \$48.62 to \$55.36 per square foot of living area.

Based on this evidence the board of review requested the subject's improvement assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparables #2 and #3, due to substantial differences from the subject in dwelling size, age, and/or number of garages.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 and the board of review's comparable #1, which are relatively similar to the subject in dwelling size, age, location, and some features, although two of these comparables feature finished basement area which the subject lacks, suggesting that downward adjustments to these comparables would be needed to make them more similar to the subject. These comparables have improvement assessments that range from \$162,041 to \$193,083 or from \$41.15 to \$54.42

per square foot of living area. The subject's improvement assessment of \$184,256 or \$44.98 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, such as dwelling size, basement finish, and garage size, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
