

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anand Kumar Amin  
DOCKET NO.: 20-02847.001-R-1  
PARCEL NO.: 07-07-110-034

The parties of record before the Property Tax Appeal Board are Anand Kumar Amin, the appellant, by attorney Joan Vasquez, of Property Tax Appeals, LLC in Palatine, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,750  
**IMPR.:** \$85,769  
**TOTAL:** \$104,519

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling of wood siding exterior construction containing 2,600 square feet of living area. The dwelling was built in 2003. Features of the home include an unfinished full basement, central air conditioning, one fireplace and an attached garage with 462 square feet of building area. The property has a 10,960 square foot site located in Lake Villa, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales improved with two-story dwellings of wood siding or brick and vinyl siding exterior construction ranging in size from 2,475 to 3,100 square feet of living area. The homes were built in 1998 and 2004. Each property has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 400 to 682 square feet of building area. These properties are located from approximately .23 to

.30 of one mile from the subject property with sites ranging in size from 9,900 to 12,200 square feet of land area. The comparables sold from April 2018 to July 2020 for prices ranging from \$265,000 to \$306,500 or from \$95.16 to \$123.84 per square foot of living area, including land. To document the sales the appellant submitted copies of the Multiple Listing Service (MLS) listing sheets for each property. Comparable #1 is described in the MLS listing as being REO/Lender Owned. Comparable #2 is described in the MLS listing as being "Priced to sell." The MLS disclosed comparable #3 is a corporate relocation. The appellant requested the subject's total assessment be reduced to \$96,657.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,519. The subject's assessment reflects a market value of \$313,965 or \$120.76 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales improved with two-story dwellings of wood siding exterior construction that range in size from 2,402 to 2,600 square feet of living area. The homes were built from 1998 to 2004. One comparable has a crawl space foundation and three comparables have full basements with one having finished area. Each comparable has central air conditioning, one fireplace and an attached garage ranging in size from 462 to 682 square feet of building area. These properties have sites ranging in size from 8,540 to 13,130 square feet of land area and are located from .09 to .28 of one mile from the subject property. The sales occurred from March 2019 to April 2020 for prices ranging from \$290,000 to \$335,000 or from \$120.73 to \$131.32 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 as well as the comparables submitted by board of review as these comparables are most similar to the subject dwelling in size and sold proximate in time to the assessment date. These comparables sold for prices ranging from \$268,000 to \$335,000 or from \$95.85 to \$131.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,965 or \$120.76 per square foot of living area, including land, which is within the range established by the best comparable sales in this record and is well supported. Less weight is given appellant's comparable #3 due to differences from the subject dwelling in size and little weight is given appellant's comparable #4 as this property sold in 2018, not as proximate in time to the assessment date as the best comparables in this record. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
