

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Dee
DOCKET NO.: 20-02862.001-R-1
PARCEL NO.: 12-31-103-002

The parties of record before the Property Tax Appeal Board are Christopher Dee, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$104,919
IMPR.: \$147,333
TOTAL: \$252,252

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 3,133 square feet of living area. The dwelling was constructed in 1962 and is approximately 58 years old. Features of the home include a basement, central air conditioning, two fireplaces, and a garage containing 484 square feet of building area. The property has an approximately 24,020 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject property and are from 46 to 70 years old. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 2,929 to 3,532 square feet of living area. Each dwelling has central air conditioning, a basement, one to three fireplaces, and a garage ranging in size from 440 to 884 square feet of

building area. The parcels range in size from 23,130 to 45,955 square feet of land area. The comparables sold from June 2018 to January 2020 for prices ranging from \$520,000 to \$821,849 or from \$177.53 to \$232.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$205,281.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$252,252. The subject's assessment reflects a market value of \$757,741 or \$241.86 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located in the same neighborhood code as the subject property. The comparables consist of one-story dwellings of brick exterior construction ranging in size from 2,787 to 3,505 square feet of living area. The dwellings were built from 1957 to 1969 with the home built in 1957 having an effective age of 1963. Each comparable has central air conditioning, one to three fireplaces, a basement, and a garage ranging in size from 483 to 676 square feet of building area. The parcels range in size from 23,400 to 37,610 square feet of land area. The comparables sold from May 2019 to May 2020 for prices ranging from \$600,000 to \$918,000 or from \$207.47 to \$261.91 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the board of review noted that appellant's comparable #3 has a 2018 sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to dwelling age or less proximate sale date for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be the board of review's comparables which are more similar to the subject in age, dwelling size, and features. These most similar comparables sold from May 2019 to May 2020 for prices ranging from \$600,000 to \$918,000 or from \$207.47 to \$261.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$757,741 or \$241.86 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
