

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Address
DOCKET NO.: 20-02893.001-R-1
PARCEL NO.: 12-28-109-003

The parties of record before the Property Tax Appeal Board are Andrew Address, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$105,952
IMPR.: \$179,863
TOTAL: \$285,815

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,868 square feet of living area. The dwelling was constructed in 1930 with an effective age of 1978. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 528 square foot garage. The property has a 13,150 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables consist of 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,448 to 3,186 square feet of living area. The homes are 23 to 42 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with two having finished area, and a garage ranging in size from 441 to 600 square feet

of building area. The parcels range in size from 9,147 to 16,700 square feet of land area. The comparables sold from December 2018 to February 2020 for prices ranging from \$665,000 to \$845,500 or from \$265.38 to \$278.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$259,673.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$285,815. The subject's assessment reflects a market value of \$858,561 or \$299.36 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood code. The comparables consist of 1.5 or 2-story dwellings of brick, stucco, or aluminum siding exterior construction ranging in size from 2,550 to 3,586 square feet of living area. The dwellings were built from 1905 to 1966 with effective ages ranging from 1950 to 1972. Each dwelling has central air conditioning, one to three fireplaces, a basement with three having finished area, and a garage ranging in size from 440 to 608 square feet of building area. The parcels range in size from 6,800 to 26,010 square feet of land area. The comparables sold from March 2019 to June 2020 for prices ranging from \$842,500 to \$1,140,000 or from \$256.33 to \$331.62 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1, #2, and #4 due to their newer age, unfinished basements and/or less proximate sale date for valuation as of January 1, 2020. The Board also gives reduced weight to board of review comparables #2, #3, and #4 due to their larger dwelling sizes, finished attic, and/or unfinished basement when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sale #1 which are more similar to the subject in dwelling size, age, and features. These most similar comparables sold for prices of \$707,500 and \$997,500 or \$270.97 and \$331.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$858,561 or \$299.36 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
