

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin White
DOCKET NO.: 20-02902.001-R-1
PARCEL NO.: 12-28-202-008

The parties of record before the Property Tax Appeal Board are Kevin White, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$152,790
IMPR.: \$142,725
TOTAL: \$295,515

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding construction with 2,595 square feet of living area. The dwelling was constructed in 1959 and is approximately 61 years old.¹ Features of the home include a basement with 481 square feet of finished area, a fireplace, and a garage containing 506 square feet of building area. The property has an approximately 34,680 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of brick or wood siding exterior construction that are 35 to 81

¹ The Board finds that the property record card submitted by the board of review, which lists the property as having an effective age of 1968 and which was not refuted by any rebuttal filing, is the best evidence of the subject's age.

years old. The homes range in size from 2,244 to 3,133 square feet of living area. Each dwelling has central air conditioning, one or two fireplaces, and a garage ranging in size from 400 to 736 square feet of building area. Each comparable has a basement with comparables #3 and #4 having 589 and 500 square feet of finished area, respectively. The comparables have improvement assessments ranging from \$106,605 to \$149,371 or from \$36.96 to \$49.54 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$118,851 or \$45.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$295,515. The subject property has an improvement assessment of \$142,725 or \$55.00 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of 1.5 and 2-story dwellings of brick or wood siding exterior construction that were built from 1954 to 1966. Comparable #4 has an effective age of 1981. The homes range in size from 2,289 to 2,975 square feet of living area. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 440 to 576 square feet of building area. Each comparable has a basement with comparables #2 and #3 having 929 and 873 square feet of finished area, respectively. The comparables have improvement assessments ranging from \$165,955 to \$280,314 or from \$70.32 to \$95.70 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #2 through #4 along with board of review comparables #4 and #5 due to their dissimilar age and/or dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 along with board of review comparables #1 through #3. The Board finds these comparables to be more similar to the subject in dwelling size, age, and features. These comparables had improvement assessments that ranged from \$106,605 to \$192,673 or from \$36.96 to \$75.80 per square foot of living area. The subject's improvement assessment of \$142,725 or \$55.00 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
