

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jagjeet Singh
DOCKET NO.: 20-02912.001-R-1
PARCEL NO.: 07-28-106-001

The parties of record before the Property Tax Appeal Board are Jagjeet Singh, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,835
IMPR.: \$67,044
TOTAL: \$80,879

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,592 square feet of living area. The dwelling was constructed in 1992 and is approximately 28 years old. Features of the home include a basement with 858 square feet of finished area, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has an approximately 7,560 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of wood siding exterior construction that are 27 to 29 years old. The homes range in size from 1,982 to 2,295 square feet of living area. Each dwelling has an

unfinished basement, central air conditioning, and a garage ranging in size from 376 to 420 square feet of building area. Comparables #1, #3, and #4 each have a fireplace. The comparables have improvement assessments ranging from \$76,460 to \$87,620 or from \$37.12 to \$38.58 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$60,145 or \$37.78 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,879. The subject property has an improvement assessment of \$67,044 or \$42.11 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of one or two-story dwellings of wood siding exterior construction that were built from 1992 to 1994. The homes range in size from 1,399 to 1,618 square feet of living area. Each dwelling has central air conditioning and a garage ranging in size from 372 to 420 square feet of building area. Each comparable has a basement with three of the comparables having 731 to 1,259 square feet of finished area. Three of the comparables each have one fireplace. The comparables have improvement assessments ranging from \$69,789 to \$80,390 or from \$45.25 to \$53.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables due to differences in dwelling size and/or basement finish when compared to the subject. The Board has also given reduced weight to board of review comparables #1, #2, and #4 due to differences in design and/or basement finish when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #3 and #5. The Board finds these comparables are more similar to the subject in dwelling size, age, and features. These comparables had improvement assessments of \$75,674 and \$71,311 or \$46.77 and \$45.25 per square foot of living area, respectively. The subject's improvement assessment of \$67,044 or \$42.11 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
