

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Lucy
DOCKET NO.: 20-02938.001-R-1
PARCEL NO.: 06-25-107-032

The parties of record before the Property Tax Appeal Board are Lisa Lucy, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,220
IMPR.: \$57,061
TOTAL: \$71,281

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,608 square feet of living area. The dwelling was constructed in 1993 and is approximately 27 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 276 square foot garage. The property has an approximately 9,030 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .46 of a mile from the subject property. The comparables have sites that range in size from 5,828 to 8,137 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior ranging in size from 1,508 to 2,073 square feet of living area. The dwellings are 27 or 28 years old. One comparable

has a basement with finished area and three comparables each have either a crawl-space or a concrete slab foundation. Each comparable has central air conditioning and a garage ranging in size from 236 to 420 square feet of building area. Comparable #1 has one fireplace. The comparables sold from June 2019 to January 2020 for prices ranging from \$180,000 to \$219,800 or from \$101.30 to \$122.68 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$61,278, which would reflect a market value of \$183,852 or \$114.34 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,281. The subject's assessment reflects a market value of \$214,121 or \$133.16 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .47 of a mile from the subject property. The comparables have sites that range in size from 5,110 to 8,400 square feet of land area. The comparables are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 1,366 to 1,788 square feet of living area. The dwellings were built in 1992 or 1994 with comparables #1, #3 and #4 having reported effective ages of 1996. The comparables each have either a crawl-space or a concrete slab foundation. Each comparable has central air conditioning and a garage ranging in size from 236 to 412 square feet of building area. Two comparables each have one fireplace. The comparables sold from March 2019 to September 2020 for prices ranging from \$214,988 to \$223,000 or from \$122.20 to \$157.39 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2, as well as board of review comparable #4 due to differences from the subject in dwelling size. Furthermore, the appellant's comparable #1 has a basement in finished area in contrast to the subject's crawl-space foundation.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are overall more similar to the subject in dwelling size, design, age and some features. These five comparables sold from March 2019 to September 2020 for prices ranging from \$180,000 to \$223,000 or from \$118.42 to \$139.53 per square foot of living area, including land.

The subject's assessment reflects a market value of \$214,121 or \$133.16 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
