

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bernadette Buntin
DOCKET NO.: 20-03081.001-R-1
PARCEL NO.: 11-28-108-034

The parties of record before the Property Tax Appeal Board are Bernadette Buntin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,010
IMPR.: \$156,060
TOTAL: \$210,070

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,544 square feet of living area. The dwelling was constructed in 2003 and is approximately 17 years old. Features of the home include an unfinished full basement, central air conditioning, a fireplace and a 668 square foot garage. The property has an approximately 10,450 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement. In support of this argument, the appellant submitted information on four equity comparables located in the same neighborhood code assigned to the subject and from .03 to .16 of a mile from the subject. The comparables consist of two-story dwellings of brick or brick and frame exterior construction. The dwellings range in age from 15 to 19 years old and range in size from 3,371 to 3,818 square feet of living area. Each comparable has an unfinished

basement, central air conditioning, a fireplace and a garage ranging in size from 585 to 658 square feet of building area. The comparables have improvement assessments ranging from \$126,850 to \$144,304 or from \$35.53 to \$39.91 per square foot of living area.

Based on this evidence, the appellant requested a reduced improvement assessment of \$133,165 or \$37.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$210,070. The subject property has an improvement assessment of \$156,060 or \$44.03 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code assigned to the subject and from .05 to .17 of a mile from the subject. The comparables consist of two-story dwellings of brick exterior construction. The dwellings were built from 2002 to 2004 and range in size from 3,500 to 3,567 square feet of living area. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 618 to 722 square feet of building area. The comparables have improvement assessments ranging from \$154,120 to \$159,557 or from \$44.03 to \$45.20 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #3 and #4 due to differences in their dwelling sizes when compared to the subject and given the other comparable dwellings in the record that are each more similar to the subject's dwelling size.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 along with the board of review comparables which are each similar to the subject in location, design, exterior construction, dwelling size and most features. These comparables have improvement assessments that range from \$126,850 to \$159,557 or from \$35.53 to \$45.20 per square foot of living area. The subject's improvement assessment of \$156,060 or \$44.03 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
