

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Loffredo
DOCKET NO.: 20-03090.001-R-1
PARCEL NO.: 11-02-305-016

The parties of record before the Property Tax Appeal Board are Mark Loffredo, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,965
IMPR.: \$159,356
TOTAL: \$225,321

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding¹ exterior construction with 3,347 square feet of living area. The dwelling was constructed in 1998 and is approximately 22 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 770 square foot garage. The property has a 15,855 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from

¹ The Board finds the best description of the subject dwelling's exterior construction is found in the subject's property record card provided by the board of review.

2,590 to 3,885 square feet of living area. The dwellings are 21 to 24 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage with either 660 or 827 square feet of building area. The comparables have improvement assessments that range from \$114,950 to \$174,441 or from \$44.38 to \$44.98 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$149,803 or \$44.76 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$225,321. The subject property has an improvement assessment of \$159,356 or \$47.61 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame and brick exterior construction ranging in size from 3,048 to 3,316 square feet of living area. The dwellings were built from 1997 to 1999. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 660 to 880 square feet of building area. The comparables have improvement assessments that range from \$148,321 to \$157,283 or from \$46.33 to \$48.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their considerably larger or smaller dwelling sizes when compared to the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the comparables presented by the board of review, which are overall most similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments that range from \$148,321 to \$157,283 or from \$46.33 to \$48.66 per square foot of living area. The subject's improvement assessment of \$159,356 or \$47.61 per square foot of living area falls within the range established by the best comparables in the record on a per square foot basis but above the range in terms of overall improvement assessment. The subject's higher overall improvement assessment appears to be justified given its somewhat larger dwelling. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
