

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Hutchinson
DOCKET NO.: 20-03108.001-R-1
PARCEL NO.: 11-16-202-085

The parties of record before the Property Tax Appeal Board are Ryan Hutchinson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,835
IMPR.: \$132,939
TOTAL: \$191,774

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,598 square feet of living area. The dwelling was constructed in 1979 and is approximately 41 years old. The home is reported to have an effective built date of 1992. Features of the home include an unfinished basement, central air conditioning, and a 420 square foot garage. The property has an approximately 11,423 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.47 of a mile from the subject. The appellant reported that the comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,588 to 2,924

square feet of living area. The dwellings are 41 to 51 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage that ranges in size from 390 to 461 square feet of building area. The comparables have improvement assessments that range from \$104,773 to \$130,444 or from \$35.83 to \$46.98 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$113,662 or \$43.75 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,774. The subject property has an improvement assessment of \$132,939 or \$51.17 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.38 of a mile from the subject. The board of review reported that the comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,574 to 2,703 square feet of living area. The dwellings were built from 1968 to 1979 with comparables #1 and #5 reported to each have an effective built date of 1991. Each comparable has an unfinished basement with one being a walkout style, central air conditioning, one or two fireplaces, and a garage that ranges in size from 433 to 715 square feet of building area. The comparables have improvement assessments that range from \$133,722 to \$149,282 or from \$51.33 to \$56.70 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 as well a board of review comparable #4 which differ from the subject in dwelling size or has a walkout basement, not a feature of the subject. The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, basement foundation, and most features. The comparables have improvement assessments ranging from \$121,586 to \$149,282 or from \$46.91 to \$56.70 per square foot of living area. The subject's improvement assessment of \$132,939 or \$51.17 per square foot of living area falls within the range established by the best comparables in the record. Based on the record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
