

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Kline
DOCKET NO.: 20-03139.001-R-1
PARCEL NO.: 11-11-402-049

The parties of record before the Property Tax Appeal Board are Peter Kline, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,347
IMPR.: \$139,957
TOTAL: \$209,304

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,373 square feet of living area. The dwelling was built in 1987 and is approximately 33 years old. The home has an effective built year of 1988. Features of the home include an unfinished full basement, central air conditioning, one fireplace, and a 693 square foot garage. The property has an approximately 42,900 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same neighborhood code as the subject property and located within 0.56 of a mile from the subject. The comparables have sites that range in size from 40,218 to 42,065 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,990

to 3,261 square feet of living area. The dwellings are from 37 to 39 years old. Each comparable has an unfinished full basement, central air conditioning, one or two fireplaces, and a 543 to 1,481 square foot garage. The properties sold from December 2019 to May 2020 for prices ranging from \$500,000 to \$573,350 or from \$153.33 to \$179.51 per square foot of living area, land included.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$188,888, which would reflect a market value of \$566,721 or \$168.02 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,304 reflecting a market value of \$628,729 or \$186.40 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject property and located within 0.53 of a mile from the subject. The comparables have sites that range in size from 40,370 to 52,620 square feet of land area. These comparables are improved with 2-story dwellings of brick or wood siding exterior construction that range in size from 2,715 to 3,672 square feet of living area. The dwellings were built from 1981 to 1988 with comparables #1 and #3 having effective built years of 1986 and 1995, respectively. Each comparable has an unfinished full basement, central air conditioning, one or two fireplaces, and a 780 to 1,063 square foot garage. The properties sold from May 2018 to May 2020 for prices ranging from \$575,000 to \$740,000 or from \$194.49 to \$211.79 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration. The Board gives less weight to board of review comparables #2, #3, and #4 which differ from the subject in dwelling size or have sale dates that are less proximate to the subject's assessment date of January 1, 2020 than the other comparables in the record.

The Board finds the best evidence of market value to be the appellant's comparables and board of review comparable #1 which are more similar to the subject in location, design, age, dwelling size, and most features. These comparables sold from December 2019 to May 2020 for prices ranging from \$500,000 to \$650,000 or from \$153.33 to \$194.49 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$628,729 or \$186.40 per square foot of living area, land included, which falls within the range established by

the best comparables in the record. Based on the record and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
