

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roger Hannan  
DOCKET NO.: 20-03160.001-R-1  
PARCEL NO.: 11-08-313-006

The parties of record before the Property Tax Appeal Board are Roger Hannan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$71,039  
**IMPR.:** \$175,970  
**TOTAL:** \$247,009

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 3,385 square feet of living area. The dwelling was constructed in 1994 and is approximately 26 years old. The home has a reported effective age of 1995 due to remodeling. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 781 square foot garage. The property has an approximately 17,646 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same neighborhood code as the subject and located within 0.24 of a mile from the subject. The appellant reported that the comparables are improved with 2-story dwellings of brick or wood siding exterior construction that range in size from 3,738 to 3,977

square feet of living area. The homes are 27 or 28 years old. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 713 to 863 square feet of building area. The comparables had improvement assessments ranging from \$169,558 to \$189,283 or from \$43.09 to \$47.69 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$155,540 or \$45.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$247,009. The subject property has an improvement assessment of \$175,970 or \$51.99 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same neighborhood code as the subject property and located within 0.39 of a mile from the subject. The comparables are each improved with 2-story dwellings of brick or brick and wood siding exterior construction that range in size from 3,309 to 3,707 square feet of living area. The homes were built from 1992 to 1997. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 613 to 931 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$177,907 to \$199,793 or from \$51.37 to \$54.37 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave less weight to the appellant's comparables and board of review comparable #2 which have dissimilar dwelling sizes when compared to the subject or have an inground pool, not a feature of the subject. The Board finds the best evidence of assessment equity to be the board of review comparables #1, #3, and #4 which are more similar to the subject in location, design, age, dwelling size, and features. These comparables have improvement assessments that range from \$177,907 to \$194,923 or from \$51.37 to \$54.37 per square foot of living area. The subject's improvement assessment of \$175,970 or \$51.99 per square foot of living area falls within the range established by the best comparables in this record on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
