

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Viney & Kumud Kaushal  
DOCKET NO.: 20-03170.001-R-1  
PARCEL NO.: 11-18-206-006

The parties of record before the Property Tax Appeal Board are Viney & Kumud Kaushal, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,816  
**IMPR.:** \$164,858  
**TOTAL:** \$220,674

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,640 square feet of living area. The dwelling was constructed in 1999 and is approximately 21 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 736 square foot garage. The property has a 10,646 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.24 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick and wood siding exterior construction ranging in size from 3,503 to 3,923 square feet of living area. The dwellings are 21 to 23 years old. Each comparable has an

unfinished basement, central air conditioning, and a garage with either 460 or 462 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$135,653 to \$152,771 or from \$38.72 to \$41.98 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$146,692 or \$40.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,674. The subject property has an improvement assessment of \$164,858 or \$45.29 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.59 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,339 to 4,332 square feet of living area. The dwellings were built from 1997 to 2004. Each comparable has an unfinished basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 700 to 757 square feet of building area. The comparables have improvement assessments that range from \$153,482 to \$248,816 or from \$45.29 to \$57.44 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to board of review comparable #2 which has a larger dwelling size than the subject as well as being located in a different assessment neighborhood code than the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. The comparables have improvement assessments that range from \$135,653 to \$164,543 or from \$38.72 to \$46.48 per square foot of living area. The subject's improvement assessment of \$164,858 or \$45.29 per square foot of living area falls slightly above the range established by the best comparables in the record on an overall improvement assessment basis but within the range on a per square basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
