

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Roth
DOCKET NO.: 20-03271.001-R-1
PARCEL NO.: 16-17-201-016

The parties of record before the Property Tax Appeal Board are Stephen Roth, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$181,518
IMPR.: \$133,985
TOTAL: \$315,503

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,616 square feet of living area. The dwelling was constructed in 1969. Features of the home include a basement with finished area, central air conditioning, two fireplaces, an 825 square foot garage, and an inground swimming pool. The property has an approximately 62,290 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.46 of a mile from the subject. The parcels range in size from 60,550 to 61,420 square feet of land area and are improved with 1-story, 1.5-story, or 2-story homes of brick, wood siding, or brick and wood siding exterior construction. The homes range in size from 4,158 to 5,134 square feet of living

area and were built from 1969 to 1976. Two homes each have a basement, one of which has finished area, and one home has a concrete slab foundation. Each home has central air conditioning, one or two fireplaces, and a garage ranging in size from 483 to 1,128 square feet of building area. Two comparables have an inground swimming pool. The comparables sold in October 2018 and November 2019 for prices ranging from \$565,000 to \$890,000 or from \$112.55 to \$173.35 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$315,503. The subject's assessment reflects a market value of \$947,741 or \$205.32 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.17 of a mile to 1.17 miles from the subject. The parcels range in size from 21,780 to 67,080 square feet of land area and are improved with 1.75-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction. The homes range in size from 3,723 to 5,350 square feet of living area and were built from 1974 to 2001. Four homes each have a basement with finished area and one home has a concrete slab foundation. Each home has central air conditioning, two to five fireplaces, and a garage ranging in size from 529 to 1,025 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from January 2019 to December 2020 for prices ranging from \$952,500 to \$1,475,000 or from \$239.68 to \$294.47 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which sold less proximate in time to the assessment date than other comparables in this record. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #1 through #4, due to substantial differences from the subject in design, dwelling size, site size, and/or foundation type, and/or location more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparable #5, which are more similar to the subject in dwelling size, location, site size, and some features and sold more proximate in time to the assessment date. These two most similar comparables sold for prices of \$670,000 and \$1,100,000 or for \$161.14

and \$242.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$947,741 or \$205.32 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
