

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Serge Minin  
DOCKET NO.: 20-03306.001-R-1  
PARCEL NO.: 15-13-301-005

The parties of record before the Property Tax Appeal Board are Serge Minin, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$68,201  
**IMPR.:** \$163,113  
**TOTAL:** \$231,314

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story, "Conventional style" dwelling of brick exterior construction with 3,246 square feet of living area. The dwelling was constructed in 1980. Features of the home include a partially finished basement, central air conditioning, a fireplace, an attached 500 square foot garage and a gazebo. The property has a 20,460 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted assessment information on four equity comparables that are located from .18 to .48 of a mile from the subject. The comparables are improved with "Conventional style" dwellings containing from 3,028 to 3,512 square feet of living area. The dwellings range in age from 34 to 41 years old. The comparables have basements, each of which have finished area, central air conditioning, a fireplace and a garage ranging in size from 420 to 650 square feet of building area. The comparables have

improvement assessments ranging from \$87,295 to \$111,792 or from \$28.83 to \$34.92 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,314. The subject property has an improvement assessment of \$163,113 or \$50.25 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located from .10 to .46 of a mile from the subject. The comparables are improved with "Conventional style" dwellings containing from 3,064 to 3,350 square feet of living area. The dwellings were built from 1979 to 1987. The comparables have basements, four of which have finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 836 square feet of building area. The comparables have improvement assessments ranging from \$162,919 to \$170,395 or from \$49.91 to \$55.61 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity with respect to the subject's improvement as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #2 due to its larger dwelling size, when compared to the subject. The Board also gives less weight to the board of review's comparable #4 due to its unfinished basement, when compared to the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and most features. The best comparables have improvement assessments ranging from \$87,295 to \$170,395 or from \$28.83 to \$55.61 per square foot of living area. The subject's improvement assessment of \$163,113 or \$50.25 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which exists on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
