

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kamlesha Banker
DOCKET NO.: 20-03360.001-R-1
PARCEL NO.: 15-07-211-001

The parties of record before the Property Tax Appeal Board are Kamlesha Banker, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,597
IMPR.: \$106,793
TOTAL: \$131,390

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,677 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement, central air conditioning, and a 420 square foot garage. The property has a 11,736 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.46 of a mile from the subject. The parcels range in size from 7,524 to 11,878 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,396 to 2,677 square feet of living area. The dwellings were built from 1990 to 1993. Each home has a basement with finished area, central air conditioning, and a 420 or 448 square foot garage. Two homes each have a fireplace. The comparables sold from April 2019 to February 2020 for prices

ranging from \$300,000 to \$345,000 or from \$112.07 to \$143.16 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$117,788 which would reflect a market value of \$353,399 or \$132.01 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,390. The subject's assessment reflects a market value of \$394,683 or \$147.43 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales, together with a grid analysis of the appellant's comparables. The board of review's comparables are located within 0.52 of a mile from the subject. The parcels range in size from 7,520 to 12,300 square feet of land area and are improved with 2-story homes¹ of wood siding or brick and wood siding exterior construction ranging in size from 2,611 to 2,678 square feet of living area. The dwellings were built from 1989 to 1992. Each home has a basement, two of which have finished area, central air conditioning, and a 420 or 497 square foot garage. Four homes each have a fireplace. The comparables sold from September 2019 to July 2020 for prices ranging from \$392,500 to \$423,000 or from \$148.51 to \$162.01 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #2 and #4, which feature finished basement area unlike the subject.

The Board finds the best evidence of market value to be the board of review's comparables #1, #3, and #5, which are similar to the subject in dwelling size, age, location, lot size, and most features. These most similar comparables sold in September 2019 and March 2020 for prices ranging from \$392,500 to \$423,000 or from \$148.51 to \$162.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$394,683 or \$147.43 per

¹ The board of review reported that comparable #5 is a 1-story home but also that it has second floor living area, suggesting this comparable is a 2-story home.

square foot of living area, including land, which is within the range established by the best comparable sales in terms of total market value and below the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
