

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew J. Brinckerhoff  
DOCKET NO.: 20-03377.001-R-1  
PARCEL NO.: 15-16-100-043

The parties of record before the Property Tax Appeal Board are Andrew J. Brinckerhoff, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$59,353  
**IMPR.:** \$270,841  
**TOTAL:** \$330,194

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of dryvit and stone exterior construction with 6,514 square feet of living area. The dwelling was constructed in 2008. Features of the home include a basement, central air conditioning, three fireplaces, and a 882 square foot garage. The property has a 177,290 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located from 2.69 to 2.92 miles from the subject. The parcels range in size from 20,473 to 38,333 square feet of land area and are improved with 2-story homes of brick, frame, or brick and frame exterior construction ranging in size from 5,480 to 6,470 square feet of living area. The dwellings were built from 1991 to 2008. Each home has a basement with finished

area, central air conditioning, one or four fireplaces, and a garage ranging in size from 730 to 1,058 square feet of building area. The comparables sold from July 2018 to November 2019 for prices ranging from \$750,000 to \$1,170,000 or from \$136.86 to \$204.90 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$330,194. The subject's assessment reflects a market value of \$991,871 or \$152.27 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where comparable #3 is the same property as the appellant's comparable #3. Comparables #1 and #2 are located within 1.23 of a mile from the subject and have 20,240 or 21,920 square foot sites improved with 2-story homes of brick or wood siding exterior construction with 3,486 or 4,168 square feet of living area. The dwellings were built in 1988 or 1990 with the older home having an effective age of 1990. Each home has a basement with finished area, central air conditioning, a fireplace, and a 704 or 792 square foot garage. These two comparables sold in April and May 2019 for prices of \$650,000 and \$649,000 or for \$155.95 and \$186.17 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and to the board of review's comparables #1 and #2, due to substantial differences from the subject in dwelling size and/or age. Moreover, the appellant's comparable #2 sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the appellant's comparable #3/board of review's comparable #3, which are more similar to the subject in dwelling size, age, and features and sold more proximate in time to the January 1, 2020 assessment date. These most similar comparables sold in July and November 2019 for prices of \$1,170,000 and \$750,000 or for \$204.90 and \$136.86 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$991,871 or \$152.27 per square foot of living area, including land, which is bracketed by the best comparable

sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
