

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hemanshu R. Mehta  
DOCKET NO.: 20-03378.001-R-1  
PARCEL NO.: 15-16-101-019

The parties of record before the Property Tax Appeal Board are Hemanshu R. Mehta, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,760  
**IMPR.:** \$188,415  
**TOTAL:** \$226,175

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of dryvit exterior construction with 3,688 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement, central air conditioning, a fireplace, and a 748 square foot garage. The property has an approximately 14,430 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales presented in two grid analyses. The comparables are located within 0.14 of a mile from the subject. The parcels range in size from 10,000 to 11,518 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 3,358 to 3,926 square feet of living area. The dwellings were built from 1992 to 1995. Each home has a basement, two of which have finished

area, central air conditioning, one or three fireplaces, and a garage ranging in size from 638 to 733 square feet of building area. The comparables sold from February to December 2019 for prices ranging from \$140.09 to \$204.88 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$208,966 which would reflect a market value of \$626,961 or \$170.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$226,175. The subject's assessment reflects a market value of \$679,408 or \$184.22 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparables #1, #2, and #3 are the same properties as the appellant's comparables #5, #4, and #3, respectively. Comparables #4 and #5 are located within 0.11 of a mile from the subject property. These two comparables have 10,040 or 10,530 square foot sites that are improved with 2-story homes of brick or brick and wood siding exterior construction with 3,501 or 3,656 square feet of living area. The homes were built in 1990 or 1992 and each feature a basement, central air conditioning, a fireplace, and a 462 or 753 square foot garage. These two comparables sold in September and December 2020 for prices of \$619,000 and \$605,000 or for \$176.81 and \$165.48 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with three common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the appellant's comparable #3/board of review's comparable #3, which each have finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1, the appellant's comparable #4/board of review's comparable #2, the appellant's comparable #5/board of review's comparable #1, and the board of review's comparables #4 and #5, which are similar to the subject in dwelling size, age, location and most features, although these comparables have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar

comparables sold from February 2019 to December 2020 for prices ranging from \$550,000 to \$688,000 or from \$140.09 to \$204.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$679,408 or \$184.22 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
