

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Varunee Rutirasiri
DOCKET NO.: 20-03379.001-R-1
PARCEL NO.: 15-15-404-027

The parties of record before the Property Tax Appeal Board are Varunee Rutirasiri, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,570
IMPR.: \$67,421
TOTAL: \$94,991

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story condominium dwelling of brick exterior construction with 1,907 square feet of living area. The dwelling was constructed in 1997. Features of the home include a concrete slab foundation, central air conditioning, and a 200 square foot garage. The property is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The appellant reported that comparables #2 and #3 were recently rehabbed. Comparables #1 and #2 are located within 0.04 of a mile from the subject and comparable #3 is located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story condominium dwellings of brick exterior construction with 1,634 or 2,001 square feet of living area. The dwellings were built in 1984 or 1998. Each home has central air conditioning, a

fireplace, and a 200 or 400 square foot garage. The comparables sold from approximately April 2019 to January 2020 for prices ranging from \$150,000 to \$310,000 or from \$91.80 to \$154.92 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$78,815 which would reflect a market value of \$236,469 or \$124.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,991. The subject's assessment reflects a market value of \$285,344 or \$149.63 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #1 is the same property as the appellant's comparable #3. The comparables are located from 0.02 of a mile to 1.39 miles from the subject and one comparable is located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story dwellings ranging in size from 2,001 to 2,175 square feet of living area. The dwellings were built from 1994 to 2009. Four homes have concrete slab foundation and one home has a basement. Each home has central air conditioning and a garage ranging in size from 200 to 462 square feet of building area. Three homes each have a fireplace. The comparable sold from April 2019 to November 2020 for prices ranging from \$310,000 to \$405,000 or from \$154.92 to \$198.72 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparable #5, due to substantial differences from the subject in dwelling size or foundation type. The Board gives less weight to the board of review's comparable #2, which is located more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #1 and the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from April 2019 to November 2020 for prices ranging from \$310,000 to \$405,000 or from \$154.92 to \$198.72 per square foot of living area, including land. The subject's assessment

reflects a market value of \$285,344 or \$149.63 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
