

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pamela Besbeas
DOCKET NO.: 20-03383.001-R-1
PARCEL NO.: 15-15-303-082

The parties of record before the Property Tax Appeal Board are Pamela Besbeas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,075
IMPR.: \$76,701
TOTAL: \$111,776

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story townhome of wood siding exterior construction with 2,297 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement, central air conditioning, a fireplace, and a 420 square foot garage. The property is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales presented in two grid analyses. The comparables are located within 0.18 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with 1-story townhomes of frame exterior construction ranging in size from 1,932 to 2,569 square feet of living area. The dwellings were built in 2003 or 2004. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and a 420 square foot garage. The comparables sold

from December 2019 to July 2020 for prices ranging from \$322,000 to \$360,000 or from \$135.46 to \$183.75 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$111,776 which would reflect a market value of \$335,362 or \$146.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,183. The subject's assessment reflects a market value of \$385,050 or \$167.63 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.18 of a mile from the subject and within the same assessment neighborhood code as the subject. Comparables #1, #2, #3, and #4 are the same properties as the appellant's comparables #5, #1, #4, and #2, respectively. Comparable #5 is improved with a 1-story townhome of wood siding exterior construction with 2,297 square feet of living area. The dwelling was built in 2003 and features a basement, central air conditioning, a fireplace, and a 420 square foot garage. This comparable sold in November 2019 for a price of \$283,334 or \$123.35 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of six comparable sales, with four common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #1/board of review's comparable #2, the appellant's comparable #3, and the appellant's comparable #5/board of review's comparable #1, which are less similar to the subject in dwelling size than other comparables in this record. Moreover, the appellant's comparable #3 has finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #4, the appellant's comparable #4/board of review's comparable #3, and the board of review's comparable #5, which are identical to the subject in dwelling size, age, garage size, and most features and are similar to the subject in location. These most similar comparables sold from November 2019 to July 2020 for prices ranging from \$283,334 to \$334,000 or from \$123.35 to \$145.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$385,050 or \$167.63 per square foot of living

area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
