

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Varunee Rutirasiri
DOCKET NO.: 20-03387.001-R-1
PARCEL NO.: 15-14-403-063

The parties of record before the Property Tax Appeal Board are Varunee Rutirasiri, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,420
IMPR.: \$133,476
TOTAL: \$172,896

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,090 square feet of living area. The dwelling was constructed in 1967. Features of the home include a basement, central air conditioning, a fireplace, and a 528 square foot garage. The property has a 19,602 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales presented in two grid analyses. The comparables are located within 0.73 of a mile from the subject. The comparables have 20,038 or 20,473 square foot sites that are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 2,610 to 2,820 square feet of living area. The homes were built in 1969 or 1971. Each home has a basement, three of which have finished area,

central air conditioning, a fireplace, and a garage ranging in size from 484 to 600 square feet of building area. The comparables sold from August 2019 to February 2020 for prices ranging from \$180,000 to \$510,000 or from \$64.54 to \$186.59 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$155,514 which would reflect a market value of \$466,589 or \$152.48 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,896. The subject's assessment reflects a market value of \$519,363 or \$168.08 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.94 of a mile from the subject. The parcels range in size from 20,000 to 20,910 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,709 to 3,126 square feet of living area. The dwellings were built from 1963 to 1980 with comparables #1, #2, and #5 having effective ages of 1975, 1975, and 1981, respectively. Each home has a basement, two of which have finished area, central air conditioning, and a garage ranging in size from 506 to 552 square feet of building area. Four homes each have one or two fireplaces. Comparable #4 has an inground swimming pool. The comparables sold from July 2019 to January 2020 for prices ranging from \$535,000 to \$750,000 or from \$171.15 to \$274.73 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 and the board of review's comparables #2, #3, and #4, due to substantial differences from the subject in dwelling size, basement finish, and/or inground swimming pool amenity. Moreover, the appellant's comparable #2 sold for significantly less than the other comparables in this record and appears to be an outlier.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1 and #5, which are similar to the subject in dwelling size, location, and most features, although one of these comparables is a much newer home than the

subject dwelling. These most similar comparables sold from July 2019 to January 2020 for prices ranging from \$510,000 to \$592,500 or from \$180.85 to \$202.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$519,363 or \$168.08 per square foot of living area, including land, which is within the range established by the best comparable sales in terms of total market value and below the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
