

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Glaser  
DOCKET NO.: 20-03392.001-R-1  
PARCEL NO.: 15-14-203-017

The parties of record before the Property Tax Appeal Board are Cynthia Glaser, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,561  
**IMPR.:** \$222,076  
**TOTAL:** \$296,637

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,703 square feet of living area. The dwelling was constructed in 1986 and has an effective age of 1994. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 774 square foot garage. The property has a 39,720 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located within 0.33 of a mile from the subject. The parcels range in size from 22,136 to 45,243 square feet of land area and are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 4,132 to 4,364 square feet of living area. The dwellings were built from 1986 to 2018 with comparables #1 and #2 each having an

effective age of 1992. Each home has a basement, two of which have finished area, central air conditioning, and a garage ranging in size from 713 to 874 square feet of building area. Two homes each have a fireplace. The comparables sold from April 2019 to July 2020 for prices ranging from \$732,000 to \$870,000 or from \$173.05 to \$202.42 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$282,152 which would reflect a market value of \$846,541 or \$180.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$296,637. The subject's assessment reflects a market value of \$891,069 or \$189.47 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.65 of a mile from the subject. The parcels range in size from 21,340 to 47,480 square feet of land area and are improved with 2-story homes of brick or dryvit exterior construction ranging in size from 4,359 to 4,944 square feet of living area. The dwellings were built from 2000 to 2012. Each home has a basement, two of which have finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 704 to 988 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from May 2019 to July 2020 for prices ranging from \$930,000 to \$1,240,000 or from \$188.11 to \$251.27 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #2 and #4, due to substantial differences from the subject in age. The Board gives less weight to the board of review's comparable #1, which has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #3, which are more similar to the subject in dwelling size, age, location, and features, although two of these comparables have much smaller sites than he subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from July 2019 to July 2020

for prices ranging from \$732,000 to \$950,000 or from \$173.05 to \$217.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$891,069 or \$189.47 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
