

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anna Chernyavskaya  
DOCKET NO.: 20-03402.001-R-1  
PARCEL NO.: 15-35-100-072

The parties of record before the Property Tax Appeal Board are Anna Chernyavskaya, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,525  
**IMPR.:** \$71,329  
**TOTAL:** \$96,854

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story condominium dwelling of wood siding exterior construction with 1,676 square feet of living area. The dwelling was constructed in 1976. Features of the home include a basement, central air conditioning, and a 420 square foot garage. The property is located in Deerfield, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located within the same assessment neighborhood code as the subject. The appellant reported that comparable #3 was recently rehabbed. The comparables are improved with 2-story condominium dwellings of frame exterior construction with 1,676 square feet of living area. The homes were built in 1976 or 1977. Each home has a basement, one of which has finished area, central air conditioning, and a 420 square foot garage. One home has a

fireplace. The comparables sold from May 2019 to March 2020 for prices ranging from \$265,000 to \$310,000 or from \$158.11 to \$184.96 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$89,936 which would reflect a market value of \$269,835 or \$161.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,854. The subject's assessment reflects a market value of \$290,940 or \$173.59 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparable #1 is the same property as the appellant's comparable #3. The comparables are located 0.59 of a mile from the subject and two comparables are located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story condominium dwellings of wood siding exterior construction ranging in size from 1,676 to 1,944 square feet of living area. The homes were built from 1977 to 1979. Each home has a basement, one of which has finished area, central air conditioning, and a 420 or 440 square foot garage. Three homes each have a fireplace. The comparables sold from May 2019 to September 2020 for prices ranging from \$310,000 to \$367,500 or from \$176.67 to \$193.91 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the board of review's comparables #3 and #4, which are less similar to the subject in dwelling size than other comparables in this record. The Board gives less weight to the appellant's comparable #2, which has finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparables #1 and #2, including the common comparable, which are identical to the subject in dwelling size and garage size and are similar to the subject in age, location, and most features. These most similar comparables sold from May 2019 to September 2020 for prices ranging from \$265,000 to \$325,000 or from \$158.11 to \$193.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$290,940 or \$173.59 per square foot of living area, including land, which is within the range established by

the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
