

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dong Lee  
DOCKET NO.: 20-03434.001-R-1  
PARCEL NO.: 15-17-403-023

The parties of record before the Property Tax Appeal Board are Dong Lee, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$42,103  
**IMPR.:** \$143,562  
**TOTAL:** \$185,665

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,378 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 405 square foot garage. The property has a 13,815 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales presented in two grid analyses. The comparables are located within 0.22 of a mile from the subject. The parcels range in size from 12,200 to 16,519 square feet of land area and are improved with 2-story homes of frame exterior construction with 3,378 or 3,405 square feet of living area. The dwellings were built from 1988 to 1990. Each home has a basement, two of which have finished area, central air conditioning,

and a 405 square foot garage. Three homes each have a fireplace. The comparables sold from approximately March 2019 to June 2020 for prices ranging from \$473,000 to \$530,000 or from \$138.91 to \$156.90 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$166,631 which would reflect a market value of \$499,943 or \$148.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,665. The subject's assessment reflects a market value of \$557,720 or \$165.10 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.74 of a mile from the subject. The parcels range in size from 10,430 to 22,760 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,017 to 3,562 square feet of living area. The dwellings were built from 1988 to 1998. Each home has a basement, two of which have finished area, central air conditioning, and a garage ranging in size from 405 to 703 square feet of building area. Four homes each have a fireplace. The comparables sold from March 2019 to September 2020 for prices ranging from \$545,000 to \$630,500 or from \$168.74 to \$193.40 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #1, 4, and #5, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3, and #4 and the board of review's comparables #2 and #3, which are identical to the subject in dwelling size and garage size and are similar to the subject in age, location, lot size, and most features, however, three of these comparables lack finished basement area that is a feature of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from March 2019 to September 2020 for prices ranging from \$490,000 to \$615,000 or from \$145.06 to \$182.06 per

square foot of living area, including land. The subject's assessment reflects a market value of \$557,720 or \$165.10 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
